

## INSTRUCTIONS TO HORSE SELLERS

This pre-event sales programme allows horses to be sold in advance and raise extra revenue from the event. There are 8 races, each with 8 horses, so 64 horses can be sold with one of these programmes; as many programmes can be sold as you like! Selling all the horses will raise £16 and the prize to the winner is a bottle of wine (or equivalent if the winner prefers). Please, as the seller, arrange this prize yourself as the logistics of wine etc. distribution are complex! An upper limit of £6 for the prize is suggested so each race sold will raise £10+ for the Trust.

Please email [PaulRichardTucker@hotmail.com](mailto:PaulRichardTucker@hotmail.com) for further info and list of winning horses after the event or, for results after the event, check the branch website [www.melkshamwaterway.org.uk](http://www.melkshamwaterway.org.uk)

Please send any profit to ..

The idea is to sell as many horses as possible. We don't all have limitless contacts so even one race sold will be an achievement and, of course, each race will have a winner so you will have the pleasure of awarding them.
